From the editors:

Inspired by the Forest Forge Theatre Company's excellent production last night of "To the Marrow", we wondered if there was something in the play for us. Not being ones to think too deeply about it, we seized on the blindingly obvious: how about a giant marrow competition, to be judged at the Village Fete?

We're rather jumping the gun here, because we haven't had time between going to the play last night and sending the *Acorn* proofs off this morning to talk to anyone else, so apologies especially to the organisers of the fete for springing this idea out of the blue!

It seems a winner both ways, because even if you don't have the satisfaction of growing the biggest marrow, you can have the satisfaction of eating it. There are some great recipes in the programme we picked up last night!

Putting the tin hat on Hatt Hill?

In December 2007 Britain's business secretary, John Hutton, announced that the United Kingdom is poised to make a major investment in wind farms. Hundreds of new turbines would generate over 30 megawatts of clean electricity, which would be enough to light every home in Britain.

Mottisfont and Dunbridge are poised to be at the forefront of this 21st century development. Local intelligence has uncovered plans to place a wind turbine farm close to the village hall. Following a lengthy closed planning meeting between councillors and a consortium of unidentified local businessmen, plans are understood to be in development to raise significant funding for this controversial scheme (*watch out for news of fundraising quiz evenings and a possible Tandoori night? - Eds.*).

How a wind turbine would look next to the village hall

If these plans go ahead, the redirection of local wind via the turbine could generate enough power to run every home in the area by April 1, 2012, thereby dramatically decreasing our local CO₂ emissions and complying with the Parish plan to "promote recycling and other sustainability measures wherever possible".

STRONG GROWTH IN RAIL USE

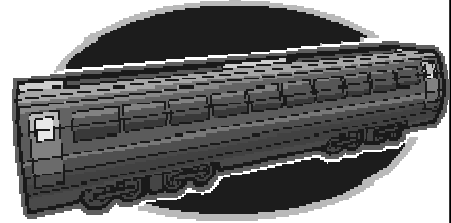

THERE has been a big increase in the number of commuters using Mottisfont & Dunbridge station. Figures for the year ending September 2007 show that there were 12,400 passenger journeys to and from the station. This was an increase of about 2,000 on the previous year's figures, and the highest on record.

More people are now using the station to reach Mottisfont Abbey and estate walks. With the new and almost hourly service that South West Trains introduced last December, I would expect to see a further increase in passenger numbers when the next lot of figures are released early next year.

The National Trust introduced half-price admission charges at Mottisfont Abbey for people who caught the train last year, in a bid to encourage more people to travel via Mottisfont & Dunbridge station. This policy could be one of the reasons why figures are going up. Also, the station is being widely promoted, and it is important this work continues to ensure the long-term viability of train services to and from Mottisfont & Dunbridge station.

A large and detailed map of the Mottisfont Estate is likely to be erected at the station soon. This is to assist tourists visiting Mottisfont and surrounding area. Other developments planned at the station include more cycle racks and new passenger information points. The passenger information points are due to be installed later this year or early in 2009. Investigations are also on going into providing additional parking near the

station. First Great Western are also going to mark out car parking

places near the station house. An initiative to run a rail-link bus between Mottisfont & Dunbridge station, Mottisfont Abbey and the Sir Harold Hillier Gardens at Ampfield is also being investigated.

When the new train timetables are issued in May, I will try to ensure that every household not only Mottisfont and Dunbridge has one, but surrounding villages have them too.

Hampshire County Council's countryside department supplied me with a number of small signs to put up along the footpath between Hatt Lane and Hatt Hill at Mottisfont, to help commuters find their way back to the station after visiting the abbey and the Mottisfont estate, but sadly vandals have destroyed most of them. I must point out that these signs cost £10 each and council taxpayers foot the bill for them. Remember, these signs are there for the benefit of tourists who help keep Mottisfont & Dunbridge station open.

Anyone with any issues relating to Mottisfont & Dunbridge Station can contact me at Bushywood, Hatt Hill, Mottisfont, Romsey, SO51 OLH or by e-mail at andysimmonds@ic24.net.

The Thomas Dowse Trust

The Thomas Dowse Trust was created to provide people up to the age of 25 years with financial assistance towards educational requirements. The Trust meets four times a year (March, June, September and November) to award grants to those who show a need for financial assistance towards their education, whether it be for Pre-School, School, College or University.

If you live in the Benefice of Bossington and Mottisfont and would like to apply for a grant, please contact Mrs. Gill Kilroy on 01794 301332 for an application form.

The next Trust meeting will be in June 2008. Applications for grants must be handed in by the end of May 2008, in time for the June Trust meeting.

MOTTISFONT & DUNBRIDGE W.I.

A dinner celebrating the 10th anniversary of the W.I. in Mottisfont and Dunbridge was enjoyed by members at The Lamb Inn at Nomansland on 7th March.

Nigel Palmer entertained the members with an informative and interesting talk entitled "Tall Hats and Tall Tales". The "Tall Hats" were policemen's helmets, and "Tall Tales" concerned the events that happened to him during his 30 year career with Hampshire Constabulary. This included helping in the rescue of a young woman from the sea at Portsmouth (but who was not very pleased to be rescued), guarding an armed robber, and comforting a lady involved in a minor car accident. She was worried about the mouse - in a humane trap on the back seat of her car - that she had been driving into the country to release! There were many more amusing anecdotes during this entertaining evening.

We are looking forward to our trip to Jersey from Bournemouth Airport, and an evening cruise on the Beaulieu River. Other planned events include a Bluebell Walk and a Quiz Night.

Our next meeting is on Tuesday, 8th April, at 8pm, and will be "Hanging Baskets", a talk by Mr. Lowe.

Everyone is welcome to attend any of our meetings - why not come along to our Village Hall and see what we do?

What's on at The Mill Arms

Sunday 20th April

The Lover – Harold Pinter play with dinner £25.00pp (the last theatre night before Sept/Oct 08). Please be quick to book as there is a maximum capacity and we are already half full! This is the third performance, and it has proved very popular.

Tuesday 22nd April

Starters and Desserts night – 6.30-8.30pm

Platter of each to share per table of 4+ - if you are a 2, that is fine, and we will pair you with others. £11.50pp. Reservations are requested in advance please.

Andrea and Ian have also taken on **The Abbots Mitre** pub, Chilbolton - between Stockbridge and Andover - and look forward to welcoming our Mill Arms guests there as well. It is another part of the beautiful Test Valley, so once again great for walks and bike rides. There is a different menu, but the same ethos of friendly service and good food. Dogs are welcome on leads, and there is plenty of parking plus lots of outside seating – which will be great if the weather ever improves!!!!

Hope to see you at either venue soon.

Vacancy

We are looking for a part time cleaner 2-3 days per week (most likely to be on a Monday - Thursday) for about 1-3 hours per day from 10am. It would easily fit in around school hours, etc. There could be an opportunity later in the year for more hours if required.

Please email millarms@btconnect.com or phone 340401 and ask for Andrea.

Dear Friends,

Well, we have already celebrated Easter this year, amazing because the next time Easter will be this early (March 23rd) will be in the year 2228 (220 years from now). The last time it was this early was in 1913 (so if you're 95 or older, you are the only ones who were around for that!). Therefore be assured you will not see the next March 23rd Easter!

However, one thing you will be able to see and be part of is this year's Confirmation Service. This is being held on December 7th, 2008, at 10.00am at All Saints Houghton for the whole Benefice, so please put the date in your diary now. Bishop Michael, the Bishop of Winchester, is coming to confirm our candidates.

If you are thinking of Confirmation for yourself or for your children, please would you let Gina or me know so that we can talk to you about this very important decision. Confirmation makes you a full member of the Church of England, but most importantly of all it confers on you the wonderful privilege of being able to receive the sacrament of Holy Communion. This will be something once received you will treasure and will be yours for the rest of your life. Receiving Holy Communion sustains in times of trouble and joy, and will nurture and feed your spiritual life.

We are holding our first evening for those who are thinking about being Confirmed or who have definitely decided to be Confirmed, and this will be on 9th April, 2008, at 7.30pm at the Church Room in St Mary's Church.

With best wishes,

Ron Corne
