### From the Editors

This month we have introduced a new feature to the *Acorn*. On page 6 you will find a few small ads., together with the inevitable small print. We would far rather see unwanted items passed on by sale, exchange or gift, than end up at the tip, as so many perfectly usable things seem to these days. So, provided the volume doesn't get too great, we'll be happy to take brief, non-commercial advertisements, free of charge.

Is there anything else you would like to see in your *Acorn*? Mostly, we just print what is sent to us, but is there anything else that you would find useful? Any ideas would be welcome - just phone us on 340793, or e-mail [acornnews@mandercom.co.uk](mailto:acornnews@mandercom.co.uk).

We look forward to hearing from you!

Julia and Peter

### WHO ARE THEY?

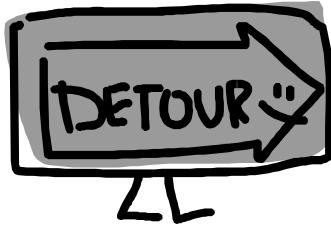

Valda White is researching this picture taken from a postcard believed to date from the 1890s, and found at the Dorchester Steam Fair. In particular, Valda would like to know the identities of the people. Do you have any information that might help identify them? If so, Valda would be delighted to hear from you!

The deadline for the July *Acorn* is 16th June.  
 Please e-mail contributions to [acornnews@mandercom.co.uk](mailto:acornnews@mandercom.co.uk).  
 We cannot guarantee that articles received after this date will be included in the next issue.

## Mottisfont Abbey Estate Walk - temporary diversion

The first section of the Estate Walk, from its start at the visitor car park to its merge with the Test Valley Way has had to be closed. The river bank has been breached for a while, but it has become significantly worse recently with major bank erosion and flooding. As a result, the path along the river has become unsafe for walkers, and we have been forced to close this section of the Estate Walk. A diversion has been signposted, which takes walkers from the Abbey car park, through the village and along Oakley Lane.

Alternatively, walkers may prefer to park in one of the car parks in Spearywell or Great Copse Wood and join the Estate Walk from one of those two points.

We apologise for the inconvenience caused to visitors wishing to come and enjoy the Estate Walk. We are endeavouring to raise the funds to pay for the bank repairs which can only be carried out when the river water levels fall later in the summer. As soon as possible, we aim to return to business as usual.

## Mottisfont Local Recycling Centre

Over the next few weeks, you may notice a small change to the access arrangements for the Local Recycling Centre at Abbey Farm in Mottisfont.

To remedy the dangerous situation when cars try to leave the site (and are unable to see the approaching traffic) and to improve security, the main gates to the farmyard will be locked so you will no longer be able to drive into the site.

Pedestrian access will be available instead, so if you have driven to the site, park your vehicle on the land over the road - opposite the farmyard entrance. (Please do not park your car across the locked gates).

For further information, please contact Vanessa Cheung at Test Valley Borough Council on 01264 368456.

## The Thomas Dowse Trust

The Thomas Dowse Trust was created to provide people up to the age of 25 years with financial assistance towards educational requirements. The Trust meets four times a year (March, June, September and November) to award grants to those who show a need for financial assistance towards their education, whether it be for Pre-School, School, College or University.

The next Trust meeting will be held in June. All applications for the June meeting must be submitted to the Secretary, Mrs Christine Hoskins, The Old Thatch, High Street, Broughton no later than the end of May. Any application received after this date will be carried forward to the next meeting in September.

If you live in the Benefice of Bossington and Mottisfont and would like to apply for a grant, application forms can be obtained from the church, the village hall or the Secretary.

## MOTTISFONT & DUNBRIDGE W.I.

A Ban on Bottom Trawling (Sea Fishing) and Inappropriate Imprisonment of the Severely Mentally Ill were the two resolutions discussed and voted for at our May meeting.

Members brought along their favourite recipes and we had a most enjoyable time tasting and drinking the goodies.

Audrey Aitchison brought along a wonderful display of Amish artefacts which she has collected over the years in her travels to the USA. The Amish put great emphasis on family life, and the wonderful quilts she brought along showed a perfect reflection of Amish life: functional, plain, simple, frugal, humble, and at the same time comfortable and beautiful.

On 11th May, twelve members took a day trip to the lovely island of Jersey, flying from Bournemouth. The visit included sightseeing and great photo opportunities at Corbière Point, St. Quen, and Gorey, and later some retail therapy at the Jersey gold and diamond centre with its beautiful park and lake.

The restaurant, Le Moulin de Lecq, provided a late lunch. Following the meal, we headed for the unspoilt sandy bay of Grève de Lecq for a stroll along the beach before heading back to the airport and home.

Our next meeting is on Tuesday, 10th June, at 8pm in the village hall. Elsie Russell will talk on Lily Langtry.

Everyone is most welcome.

Cathie Wood.

### Evening River Trip in July

Mottisfont & Dunbridge WI are running an evening river trip along the beautiful Beaulieu river on Tuesday 8 July.

The boat leaves Buckler's Hard at 6.15pm (departing 6.30pm). The cruise will last 1½ hours returning to Buckler's Hard around 8pm.

Following the trip you could stop for a drink or two at The Master Builder's House in Buckler's Hard (with restaurant/bar snacks) or the Montague Arms at Beaulieu.

If anyone would care to join us (£6 per person) please contact Margaret Astur on 341922.

#### PC VINEY

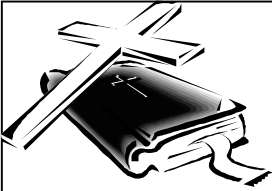

PC John Viney makes regular visits to the area to discuss any matters you may wish to raise.

On the 2nd Tuesday of each month, he's available from 2.00pm until 4.00pm (sometimes longer). He spends the first hour in the car park of Mottisfont Club, and the second at Mill Rise, Dunbridge.

#### SANDRA GIDLEY, MP

Sandra Gidley, MP, is keen to hear from you on any matters of concern. She can be contacted at 3A Victoria Place, Love Lane, Romsey, SO51 8DE.

Dear Friends,

This month is a wonderful time for the garden, and in our Benefice we have some very beautiful gardens. Many say that they feel near to God when they are in their garden, and indeed living as we do in the beautiful Test Valley we are in a garden of a type all the time. Mottisfont with its beautiful church, woodlands, rivers and Abbey. Houghton with again a stunning church, and wonderful walks through striking countryside. And Broughton linking this together with its dovecot and magnificent views from the church tower across the village and brooks beyond, particularly appreciated as we sang hymns from the tower on Ascension Day.

One of the great Saints of the Church is Francis of Assisi. He experienced all of God's creation as sacred. His famous Canticle of the Creatures includes the words: "All Praise be yours, my Lord, through Brother Sun...Sister Moon and Stars... Brothers Wind and Air... Sister Water... Brother Fire... Sister Earth... Sister Death. All praise be yours, my Lord, through all that you have made. Happy those who endure in peace." Francis had such incredible spiritual insights into God's creation and how the material and spiritual are inextricably linked, and this long before the days of global warming.

This month for those who would like to look around some beautiful gardens in the Benefice we have a Rose Garden Evening at Mottisfont Abbey on 30th May, Open Gardens in Broughton on 15th June and also an Open Garden at The Old Rectory at Houghton on the 15th June. Full details in the respective magazines.

We give thanks to God for the incredible beauty of nature and pray that we may never abuse it, but always treat it with respect and in remembrance of God's love which created it.

Peace Prayer of St. Francis

Lord, make me an instrument of your peace;  
 Where there is hatred, let me sow love;  
 Where there is injury, pardon;  
 Where there is doubt, faith;  
 Where there is despair, hope;  
 Where there is darkness, light;  
 And where there is sadness, joy.

O divine master, grant that I may not  
 So much seek to be consoled as to console;  
 To be understood as to understand,  
 To be loved as to love;  
 For it is in giving that we receive,  
 In pardoning that we are pardoned,  
 And in dying that we are born to eternal life.

Ron Corne  
 Rector
