Lunch is provided, and refreshments are available throughout the day. The lunch has a stone age theme – with the ingredients all things our ancestors would recognise. They are sourced from either local or small producers who are passionate about the food they produce.

Ancient Art is a complete stone age experience! In the morning, equipment is made and pigments mixed, using authentic materials and techniques. In the afternoon, a piece of art is created – stone age style. Inspiration is taken from the stunning works of art created by our ancestors.

The course is relaxed, and the day aims to be an enjoyable experience and a chance to try new

### The Thomas Dowse Trust

The Thomas Dowse Trust was created to provide people up to the age of 25 years with financial assistance towards educational requirements. **St Andrew's Parish Church Mottisfont**

**Gift Day - Saturday, 12th September, 10am to 1pm**

Dear Parishioner,

I am including an early reminder of our Gift Day this month as there is no September edition and in August many people are away. Therefore now is my chance to grab your attention!

I am sure you will agree with me that our ancient and beautiful church of St Andrew's is a place of tranquillity, beauty and history. It is a holy place, which reminds us of the transcendent love of God for us. It is a place steeped in prayer and village life stretching back into the history of many centuries, and its presence goes back even beyond the foundation of Mottisfont Abbey. What a gem we have in St Andrew's!

The miracle is that St Andrew's is still today at the heart of prayer for our village and for the world, and of Christian worship Sunday by Sunday.

Besides the rhythm of weekly worship, there are many other important milestones when only our Parish Church will do. There are the happy times of Baptisms and Weddings and, inevitably, the sad occasions when the ministry of the Church is needed to bring hope and support at times of death and bereavement.

In order to keep our church maintained, open and functioning costs some £19,000 per annum. Oil, electricity, insurance, cemetery upkeep, repairs, etc., exceed £5,000 per annum, plus Ministry Quota at £14,000. You can imagine with only a small congregation that this is an

increasingly difficult task. It is becoming progressively more difficult to fund, even with our loyal congregation who are both giving, and holding all sorts of functions in order to keep a "roof over our heads". It says in scripture that the more generous we are, the more we will receive back in so many other ways. Therefore may I ask if you would consider making an annual donation to St Andrew's, in the form of a weekly or monthly Standing Order?

We are holding our Mottisfont Church Gift Day on Saturday, 12th September, from 10am to 1.00 pm. I will be in church, and would be delighted to meet you and receive any donation you may wish to make. Please place your donation in an envelope, including your name and address, and either hand to me on the day or if you are unable to attend or wish to give an anonymous donation please send it to me. It will be gratefully received, and I will hand it to our Church Treasurer to help her to keep the bills paid.

Please help. It is our church, and we want to keep it open for all our village people.

I very much look forward to meeting with you on our Gift Day.

With Blessings  
Revd Ron Corne, Rector

## PASSES FOR ENTRY TO WINCHESTER CATHEDRAL

All parishes in the Winchester Diocese have been issued with six passes to enable their parishioners to have unlimited free access to the cathedral. This does not include free concerts, etc.

The passes work on a similar basis to our National Trust entry permits, and are **ONLY** to be used by people living in the Parish. Their friends would have to pay the normal admission to accompany them.

I have these passes which I will loan by request, obviously one per person.

If you ever need a pass give me a ring on 368346.

## SPEED REDUCTION TO 30MPH ON OUR STRETCH OF THE B3084

I was heartened with the feedback to my article in the June issue of Acorn, regarding the existing speed limit of 40mph being too fast along our stretch of the B3084 (Hatt Hill and Spearywell Road) for villagers and visitors to walk or cycle along in safety. Many of you shared my concerns and would like to see a change to 30mph as soon as possible. Villagers have said that they find the road very daunting, especially when walking with children, and some even refuse to walk along it at all. In recent months there has been a steady increase in very long HGVs using the road making negotiating it on foot even more hazardous - all the more reason for having a 30mph speed limit.

Please take a moment of your time to write to the Parish Council, before 15th July, which is the date of the next Parish Council meeting, and ask them to lobby to get the village a 30mph speed limit along the stretch of the B3084 from Spearywell Farm, along Spearywell Road, and down Hatt Hill to join the existing 30mph speed

limit just above Mottisfont and Dunbridge Station.

The contact address for the Mottisfont & Dunbridge Parish Council is: Andy Simmonds, Busheywood, Hatt Hill, Mottisfont, Hampshire SO51 0LH. Please make sure that your letter reaches him before the meeting scheduled for Wednesday, July 15th.

You may also consider writing to our MP, Sandra Gidley (or send her a copy of the letter sent to the Parish Council). Her contact address is: 3A Victoria Place, Love Lane, Romsey, Hampshire SO51 8DE (or alternatively email her at [info@sandragidley.org](mailto:info@sandragidley.org)).

With your support on this very important safety issue for the village, we hope that the Parish Council will now take this opportunity to make serious headway in implementing a 30mph speed limit as soon as possible.

## AWBRIDGE SCHOOL NEWSLETTER

### DATES:

- ▶ 23 June : New Parents' Evening
- ▶ 26 June : INSET Day
- ▶ 14/15/16 July : School Summer Production
- ▶ 22 July : Leavers' Assembly

Awbridge School has updated its ICT provision within the school with a host of new resources. These include a wireless network system, which means computer files can be accessed from anywhere within the school, 16 new laptops and an internet-linked multimedia projector and large screen for the school hall.

Throughout the school the children have been doing lots of exciting projects. Class 1 have been doing some super writing inspired by Dr I, while Class 4 have been looking at healthy eating and exercise. During break time they have been selling some wonderful smoothies for 10p a cup.

Class 1 and 2 had a wonderful day out at Hilliers Gardens, exploring all the different areas of the garden. The children enjoyed the sculpture, and did some fun activities like making a journey

string, feeding the fish, and using light meters to find the darkest and lightest trees to sit under.

As a change, the annual Summer Fete took place on Friday evening rather than Saturday afternoon. The weather was kind and the change in time worked well, as it was a perfect start to the weekend. The children did some wonderful Maypole dances, and everyone enjoyed the wide array of stalls in a laid back atmosphere.

Sports Day was a huge success, helped along by a wonderfully sunny day. There was a great team spirit, and all the children enjoyed taking part in the races. As usual, there was lots of vocal support from the children in support of their houses, and it was a close run, but in the end Asia House achieved the most points.

### GARDENING CLUB

Our next big event is the Village Fete on **Sunday, 16th August**, when we will have our stall with plants and other items. We will also have the Longest Runner Bean and the Heaviest Marrow competitions. Also following the great success of our Make Your Own Plate Garden competition last year, we will be doing the same at this year's fete.

Our next meeting will be on **Tuesday, 15th September at 7.30pm**, when we have Geoff Marsh giving an illustrated talk "The Dorset Coast and Its Wildlife", and our Autumn Display Competition. Entrance £2.00. All are very welcome!

### SUPPORT WITH ENGLISH

From the beginning of September I will be available to give extra support in English to Primary School children. I am a Dyslexia Specialist and have been responsible for Learning Support at an Independent School for the last 20 years.

Please contact me at home by telephone on 340877, or by email at

At Lockerley Primary School

will be held on

**Friday, 17th July at 1.30pm**

### VILLAGE HALL COMMITTEE

After spending nearly a decade on the village hall committee, and most of those as chairman, I have decided to retire from this splendid merry band. Now that our children are bigger I would like to try my hand at supporting some of the clubs which they attend, and feel that time will not allow both.

I have had a wonderful time on the committee and have enjoyed playing my part in the upkeep of this most important piece of village life. Through the village hall I have met many people from the surrounding area, and have very much felt part of the village.

So, it is time to find a new chairman, and if you would like to put your hand up, now is the time. I will be very happy to show the ropes to the new chairman, and I know the committee members will make you very welcome. The only requirements are common sense and a sense of humour, so go on, let us know who you are.

Call me on 340740. Jon Butler.

Note that children under 5 are carried free of charge, and there is no service on public holidays.

For Group Hire the charge has increased to £1.60 per mile. The Committee wishes to point out what a favourable rate this is for local community groups. Fill the bus and it works out at a very reasonable price.
