## **Proposed new visitor facilities in Mottisfont Abbey visitor car park – update**

The summer has been spent on undertaking the specialist environmental surveys of the river area adjacent to where we propose to locate the new facilities.

This is essential work prior to submitting a planning application, and we're now in a position to proceed with the finer details of our application.

Just in case you may not remember, the new site for the facilities is now next to the visitor car park, on the space currently occupied by the visitor reception thatched hut.

Because it is on a floodplain, legislation requires the buildings to be raised and the final decision we need from the Environment Agency is the exact height above ground level. So we intend to submit the formal planning application to Test Valley Borough Council in December but meanwhile, we'd like the opportunity to show you our plans once they are finalised.

We intend to book the village hall, and myself and the project manager will be available with the drawings to talk to anyone who wishes to come and look at them.

At the time of writing, I don't know when date this will be, but we will advertise it in the December issue of the Acorn, so do look out for it.

I look forward to seeing you.

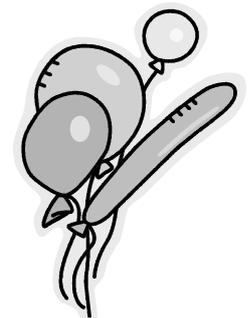

Alison Evans  
General Manager

## **Children's Christmas Party: Don't forget to contact Tracy or Catherine!**

The Children's Christmas Party is held every year for all children (birth to 12yrs) who live in Mottisfont and Dunbridge. Mottisfont Social Club kindly donate the venue and the entertainment and we fundraise during the year so that monies raised can go towards the gifts for the children.

All that we ask of you is to bring along some sort of food offering for the table (*and your children, of course...Eds*).

If you would like to add your children's names to the list please call Tracy on 341939 or Catherine 340922. We really need names and numbers as soon as possible so that we can get the day organized and ensure that all the children receive a gift.

## **VACANCY**

In the new year, the Village Hall Association will have a vacancy for a paid caretaker/bookings secretary. If you are interested in applying or would like more information, please contact the Chairman, Lynn Young, on 340134 or email [lynnhenmatt@aol.com](mailto:lynnhenmatt@aol.com).

**The deadline for inclusion of items in the December edition of the Acorn is 16th November.  
Please e-mail to [acornnews@mandercom.co.uk](mailto:acornnews@mandercom.co.uk).**

## Parish Council News

### Police Report

PCSO Jo Cole attended our September meeting with the good news that there have been no reported dwelling or non-dwelling break ins in the last 30 days. Crime rates have been low in general, which is felt to be due to an increase in intelligence gathering.

Vehicle speed checks will continue to be carried out on Hatt Hill, and night-time operations are being planned to catch poaching, which is evident in the area.

The police are still keen to encourage farms to join the Farm Watch scheme.

### Highways

The potholes in Back Lane and on Spearywell Road have now been repaired.

A number of potholes between Pugs Bunny and the National Trust car park may need to be reported again.

Additional drainage work has been agreed along Hatt Hill, and will commence soon. The drain at the bottom of the hill has now been cleared

### Dog fouling

Dog fouling at the village hall seems to be an increasing problem. The council has asked that the dog warden patrol the area. Please remember to clear up after your dogs!

### Travellers

The council has discussed the increase in travellers to the area over the summer months and have agreed to support Lockerley Parish Council by writing to our local MP. Councils are lobbying the Prime Minister to make the act of trespass with a vehicle or mobile home a criminal offence, giving police the power to remove travellers from public and private property immediately.

### Date of the next meeting

[Not available, but...] everyone welcome.

Clerk: Sue Holder, 340130

## National Trust

### Private drainage works in Mottisfont

The drainage systems at some National Trust cottages within Mottisfont are being renewed and improved over a period of 6 weeks until the end of November.

The only disruption will be to footpath users at Cadbury Farm track and Church Lane, but provision will be made for the footpaths to remain open at all times.

The National Trust has employed contractor Pipefix Ltd to undertake this work.

If you have any queries, please do not hesitate to contact me at [liz.dean@nationaltrust.org.uk](mailto:liz.dean@nationaltrust.org.uk) or on 344020.

Liz Dean, Estate Office Manager

### What's on at Mottisfont Abbey

We have had a bumper Halloween week and it was great to see so many families from the village enjoying the creepy trail and spooky zoo!

The open exhibition was a great success, with works by The Mottisfont Art Group featured. One piece of work by Gordon Wood was sold to a very happy visitor who thought Gordon "captured the walled garden wonderfully".

Don't miss the following exhibitions:

### Cutting Edge: Contemporary Paper Art 12 November – 29 January

From paper flowers and butterflies to love stories and celebrations of what makes us all unique. Work by Rob Ryan and Ed Kluz will be exhibited alongside local Salisbury artist Eileen White.

### The Angel Garden 2 - 19 December

Angel sculptures come to earth around our gardens this Christmas.

### Christmas songs by little angels

In the weekends leading up to Christmas (3rd, 4th, 10th, 11th and 17th December, 12 – 1pm) visitors to Mottisfont are in for a choral treat, as local schools and choirs sing traditional and popular carols in the grounds.

This will be free after the normal admission charge.

The grounds will be open from 26th December, 7 days a week for the rest of the year. The House will re-open 1 March.

## Broughton Learning

More learning opportunities for adults .....

**Balancing the family budget** No, we're not doing handouts or tax rebates, but we might be able to help you work things out a bit better if you need some help. There will be two introductory sessions in Broughton Village Hall on Thursday afternoons, December 1st and 8th, from 1.15pm to 2.45pm. These will be run by a tutor from Hampshire Learning. Babies welcome, and you can get away in time for the school run. If you find these helpful, there will then be a course running every Thursday afternoon after Christmas. To help you with the budgeting, these sessions are **FREE**. Just come along on 1st or 8th December - no need to book.

**Beginners/Revisers Bridge** Another cheap night out! Ian Mackay, who is an experienced bridge tutor, is available to run a course after Christmas for those who are either complete beginners at bridge, or played so long ago they've almost forgotten it all. The course will be on Thursday evenings, either in Broughton or Stockbridge, 7-9pm, and there will be six classes, with a possible continuation of another four. We need a minimum of 8 people, in which case it will be £50 for 6 two-hour lessons, and a maximum of 12, in which case it will be £40. Twist the arms of your friends and come along. If you are interested, please email [learners@broughton-hants.net](mailto:learners@broughton-hants.net) as soon as possible with your details, but send no money yet.

Ian Mackay will be running his usual course for INTERMEDIATE players (i.e. those who have done at least 10 lessons) at Mountbatten School on Tuesday evenings. Please see the Hampshire Learning course listings on their website.

**Drawing** The drawing class this term filled up very quickly. We are expecting to continue in the new year with a life drawing class, also at Wallop Parish Hall, so look out for further details.

As before, **small grants are available** to any local organisations who want to try something new, or run an event to attract new members.

### MOTTISFONT & DUNBRIDGE W.I.

We were pleased to welcome two guests at our October meeting when Mrs. McMonnies demonstrated Christmas Table Decorations.

Four tables, laid with white table cloths, were used to show traditional, contemporary, natural and dramatic themes.

Many original ideas using candles, T-lites, coloured glasses, table mats and greenery were shown, and members took away many new ideas.

Members are looking forward to a pre-Christmas lunch, a Vintage Jazz Evening, and a coach trip to Bath in November, with other activities being planned.

Our next meeting is on Tuesday, 8th November, at 8pm when we welcome Mrs. M. Braddock who will be giving a talk "The Sinking of the Mary Rose, Henry VIII's Flagship". Guests are very welcome.

Dear Friends,

The 27th November marks Advent Sunday, the fourth Sunday before Christmas, but what is Advent?

The word "advent", from the Latin adventus (Greek parousia), means "coming" or "arrival." The season of Advent is focused on the "coming" of Jesus as Messiah (Christ or King). Our worship, scripture readings and prayers not only prepare us spiritually for Christmas (his first coming), but also for his eventual second coming. This is why the Scripture readings during Advent include both Old Testament passages related to the expected Messiah, and New Testament passages concerning Jesus' second coming as judge of all people. Also, passages about John the Baptist, the precursor who prepared the way for the Messiah, are read. All of these themes are present in our worship during Advent.

The liturgical colour for Advent is purple and the season is somewhat penitential, similar to Lent, although not so explicit and emphatic. The character of worship during Advent is more solemn, quiet, and less festive than during other times of the year. In Church, for example, the Gloria in Excelsis is not used. The use of purple reflects the general themes of Advent: penitence (generally expressed more in terms of expectant hope) and royalty.

On Advent Sunday, 27th November, we will be holding a service for the entire Benefice at St. Andrew's Church, Mottisfont, at 11.00am. The Bishop of Southampton will be preaching and presiding, and at the end of the service we will have a short procession to Mottisfont Abbey where the Bishop will be lighting the Advent Candle. We are all invited for refreshments at the kind invitation of the National Trust.

During Advent we will be holding an Advent Bible Study Course on Thursdays 1st, 8th, and 15th December at Yew Tree House, Broughton (almost next to St Mary's Church) starting at 8.00pm.

We will be finished by 9.15pm each night so please do come and explore the meaning of Advent, whether you are unfamiliar with the Bible or very knowledgeable, as this Bible study is for everyone.

With Blessings

Revd. Ron Corne  
Rector.

### Recipe of the month:

#### BEEF & CHESTNUT CASSEROLE

Great for those cold, dark evenings. A warming dish with one of the quintessential flavours of winter, the chestnut. This ingredient adds a delicate and sweet flavour to the dish.

This recipe makes four servings.

#### Ingredients

50g of butter  
100g of smoked streaky bacon, cut into strips  
4 tbsps of plain flour  
1 tsp of salt  
½ tsp of black pepper  
2 tsp of ground nutmeg  
800g of stewing steak (diced)  
3 large onions, peeled & sliced  
2 cloves of garlic, minced or finely diced  
4 large carrots, peeled & sliced  
2 sticks of celery, chopped  
250ml of red wine  
500ml of beef stock  
2 tbsps of tomato puree  
1 tsp of dried thyme  
2 bay leaves  
200g packet of cooked chestnuts (such as Merchant Gourmet)

#### How to make it

Heat the butter in a pan and add the bacon. Fry until golden, then remove the bacon with a slotted spoon and set aside, keeping the fat in the pan. Mix the flour, salt, pepper and nutmeg together and place in a large plastic bag. Add the diced beef to the bag and shake lightly. Now add the floured beef to the pan and brown on all sides. Remove the beef and set aside with the bacon. Fry the onions and garlic for a few minutes until the onions start to soften. Add the carrots and celery, and return the beef and bacon to the pan along with the wine and stock. Bring to a simmer and add the tomato puree, thyme and bay leaves. Cover and either simmer on very low or place in the oven at 150C (140C fan) Gas Mark 2 for 2-2½ hours until the beef is tender. After 1 hour add the chestnuts and add more liquid if required. Check the seasoning before serving.

If you have fresh chestnuts rather than the pre-cooked vacuum-packed ones, visit [www.taste.com.au/how+to/articles/1233/roast+chestnuts](http://www.taste.com.au/how+to/articles/1233/roast+chestnuts) to find out how to prepare them.
