

Mottisfont Fete 2011 - another great success!

Mottisfont's annual fete took place on Sunday, 14th August. Writing this a week after the fete with rain lashing down, aren't we all glad of the fantastic weather we had yet again!

A big thank you from the Village Hall Committee must go to everyone who contributed in very many ways, making for a hugely successful and happy occasion.

A lot of people helped in the set up, running games, manning stalls, selling teas and ice creams, beer and burgers, etc. There was a wonderful community spirit and a lot of people came.

The Birnie Boozle Band enjoying playing to the crowds at the annual Mottisfont Fete

Along with many, I really enjoy the Birnie Boozle Band, and they themselves enjoy playing - they commented on how many people sat and listened. (I've already booked them again for next year!)

Everyone took a little more money than previously, the Village Hall coming away with a profit of around £2700. The W.I gained about £450, the Church £200, and Toys & Games for the Children's Christmas party raised about £200. Others, like the roundabout man and people selling jewellery, seemed to go home happy.

Perhaps I shouldn't mention individuals, but we can't not thank Tony Stemp for all his hard work running the draw and obtaining all the prizes for it. Also Alan Lawrence for his efforts with purchasing a lot of the supplies beforehand, and the Jenkins family: without the use of their field we couldn't have a fete. Thanks to Christine Shepherd for standing in at the eleventh hour to judge the pets, and thanks to everyone who made cakes, scones and supported us with bottles and various other prizes.

It was a really good day. Thank you!

Gordon, 340129

And we'd like to add our thanks to Gordon and Cathie for the amazing amount of work they put in to the annual fete and so many other activities. You're absolute stars! - Eds.

Howzat!!

The end of summer brings down the curtain on a relatively successful season for Mottisfont Cricket Club. The Saturday Team, led by Dave Barnes, won 11 out of their 15 matches in their Hampshire League Division and narrowly missed out on promotion, finishing 3rd out of 18 teams. On Tuesday evenings the Club entered a second team in the Holt and Haskell Border League with a number of younger players being introduced to the Club.

Hopefully some of these new players will migrate to the Saturday Team over the coming seasons to ensure the 200 year history of the Club is continued.

In danger of folding last season, Tony Stemp, Graham Collins, Pete Holmes, Terry Byrne, Ian Bradwell, Dave Barnes and other members rallied around to ensure that the Club survived to bat and bowl another day. Behind the scenes David Lawrence worked tirelessly to produce one of the best wickets in the area, whilst others such as Linda Holmes and Bob Peach ensured that those playing were ably fed and watered on a match day.

The Club is always looking for new players, helpers, supporters or benefactors, so feel free to pop along on a Tuesday or a Saturday to support your local team next summer.

Mottisfont at autumn time

Come along to Mottisfont and enjoy the turning autumnal colour of the leaves, collect fallen conkers from the grounds and warm up in the Café with a bowl of seasonal soup.

The current exhibition, Flower Fairies and Dark Tales is running until Sunday 2nd October, come along and view this wonderful exhibition. We are exhibiting original Flower Fairy illustrations alongside a contemporary collection of fairy folklore inspired art work.

Thank you

A big thank you to everyone who came along to a meeting to share memories about Mottisfont. The day was a great success and it was wonderful to learn more about Mottisfont.

MOTTISFONT & DUNBRIDGE W.I.

Our September meeting was a social evening with members bringing a plate of food, such as pate, quiche, cakes and desserts, which were very much enjoyed, together with a glass of wine.

We then had a competition in which members brought a childhood photograph which then had to be identified. It was quite amusing looking at 40 and 50 year old photos, and finding the present day owner. A very enjoyable evening.

We were very pleased to gain the Second Prize at the Romsey Show for the W.I. competition for Humorous Poems. "Albert and the Lion" by Marriott Edgar, and immortalised by Stanley Holloway, was chosen, and three forms of craft were used in the display: doughcraft, painting and a fabulous knitted Lion, together with crocheted "poo"!

On Tuesday, 11th October, we will welcome Mrs. McMonnies, demonstrating Christmas Table Decorations.

Other forthcoming events include the Annual Skittles Match, a coach trip to Bath, and a trip to the theatre in December.

Other activities are being planned, so why not join us?

We meet on the second Tuesday of the month at 8pm in Mottisfont Village Hall.

Broughton Learning

Adults Learningwhat? September sees the "Back to School" season, and adults as well as young people may be thinking of how to get their brains back in gear after the summer. Hampshire County Council now has a helpful course finder on its website, if you have particular ideas about what you want to learn. See www3.hants.gov.uk/learningzone.

Broughton Learning is pleased to have been given a further grant by Hampshire Learning, to help create more opportunities for adult learning in the central Test Valley group of villages. Our plans include:

- ◆ as last year, the offer of **small grants** to existing clubs and societies to try out new activities or attract new members. These can be paid to clubs in any of the group of villages.
- ◆ **Drawing with a difference.** There will be a series of six drawing classes, on consecutive Thursday mornings at 10-12.30, starting on 3rd November. They will be held in the Wallops Parish Hall, on the A343 at Middle Wallop, opposite The George pub. The tutor is Julia Polonski, who is an award-winning graphic artist and experienced teacher, working in a very relaxed style. There may be some life-drawing sessions. The course is being provided by Broughton Learning and Wallop Artists, and is for any level of skill, provided you are prepared to have a go. Experienced artists may find this change of style interesting. The cost is £55 for six sessions. Large paper will be provided, but you will need your own sketch book and drawing materials. If there are spare places, individual sessions may be available for £12. Please reserve a place by email to learners@broughton-hants.net or ring 01794 301725, leave a message, and we'll get back to you. For a gallery of Julia's work, see www.juliapolonski.com
- ◆ The continuation of the "Third Wednesday" lectures in Broughton, starting on September 21st at 8pm, when by popular request Prof. Christopher Mulvey of Winchester University will return, this time with his well-received lecture (in Winchester) on the **Language of the King James Bible**. Look out for posters of these lectures, and if you would like to be included on the email reminder list, send your email address to Broughton Learning, or ring Nick Lodge on 301441.
- ◆ Tasters, classes, coaching and workshops on subjects which local people suggest. So if there's something that interests you, especially if you think that others might join in as well, let us know. **Bridge** was popular last year, and if the evening courses in Romsey do not attract enough people, we may be able to run one in Broughton. If you are interested in a **first aid** course, let us know, and we'll arrange it.

....and if you would like to join our planning group, email us or ring 301725.

Information which may help you....

- ◆ Societies have so far been sponsored for courses in beekeeping, floral art, vegetable-growing and salsa drumming, so there is scope for variety.
- ◆ Broughton Learning's email address is learners@broughton-hants.net
- ◆ The beginners' bridge course at Romsey School will be on Thursday evenings from 7-9pm, for 10 weeks from late September. See the course finder for details.
- ◆ The Test Villages branch of the University of the Third Age has a wide variety of self-help study groups, including French conversation, local history, computer skills, and art. See their website at <http://testvillagesu3a.org.uk/> for contact details of the organisers.

MACMILLAN CANCER SUPPORT

WORLD'S BIGGEST COFFEE MORNING

**Saturday, 22nd October
10am - 12noon at
St. Mary's Church, Broughton**

2011 is Macmillan's centenary year so here in Broughton help us make it the biggest ever coffee morning! Just pop in when you can, bring friends and enjoy refreshments. The popular Bring and Buy Table will be there again, so we would be very grateful for really nice donated items including home grown produce, jams, chutneys and of course those delicious cakes.

Macmillan Cancer Support provides high quality information, someone to talk to, health and social care specialists and financial support. £25 could pay for a Macmillan Nurse for an hour and £70 could help run a large information and support centre for an hour.

We look forward to seeing you.

Sally Josling, 301292

Dear Friends,

October brings with it the winds of change as we move into the winter and warmer clothes, log fires and dark nights. As I was driving along I was listening to the radio and apparently roll neck thick jumpers are to be the fashion this year harping back to the fashions of the 1970s and 80s. Do you remember, they were all the thing and practical and smart...some of us remember that!

Change is something none of us can do anything about. The world continues to move through its seasons which are both constantly interesting and perplexing as we try and keep up with all that informs us through the array of electronic media.

The Church can be seen as standing still in this environment of change, but although we hold fast to the great Christian teachings, the Holy Spirit is alive and active and more dynamic and youthful than the youngest child and wiser than the oldest statesman. This is why when you look into the eyes of even the most elderly of people if they are lit by the spirit of faith in Christ you can see their renewed life shining out daily.

Therefore in this month in which we celebrate on 18th October the great Feast of St. Luke who was himself both a doctor and an evangelist, we are called to remember the rich seam of wisdom and healing that is held within the Christian teachings. Called as we are to be hope and light in our communities and in the world, we will be holding a prayer and bible study group during Advent and I will give you more details of that in our November newsletter.

A date not to forget in November and for your diaries is Advent Sunday, 27th November, when we will be welcoming the Bishop of Southampton to our Benefice Service at St. Andrew's Mottisfont. At the conclusion of the service we are all invited back to the Abbey for the lighting of the Advent Candle and a theme of angels which is inspired by Mottisfont's mosaic angel. The Christmas decorations this year at the Abbey focus on their outside spaces, where a series of angels fly into and settle around the grounds and gardens throughout December!

Thank you from Gina Livermore

Dear Friends,

Over these last few weeks I have been overwhelmed with wonderful surprises!

The first of these took place at the end of July when St. Andrew's was filled with worshippers from across the benefice for a service of Holy Communion. A retiring collection was taken and the proceeds given to the Miriam Dean Fund, a charity very close to my heart. This amounted to an amazing £575. After the service we were all invited back to Mottisfont House for lovely refreshments which we enjoyed in the sunshine. I came home armed with a beautiful bouquet of flowers but it seems that more was to follow as I have since received an exquisite little silver owl which was crafted in Zimbabwe.

All of these gifts I understand have been presented on behalf of the people of Mottisfont and Dunbridge and I am deeply grateful for such generous reminders of my ministry among you.

Although I am now embarking on semi-retirement and an intended house-move I hope to remain in the area for the foreseeable future. So, don't be too surprised if I appear in church or at village events from time to time as well as continuing to help in various ways.

When I retire fully I shall miss you all greatly as I have enjoyed the warmth of your friendship over these past twenty years.

So, thank you again... but not quite goodbye.

With all blessings,

Gina

From Betty Pragnell

I would like to give a big thank you to everyone concerned for all my cards, good wishes, prayers and visits during my recent stay in hospital. I am sure it all contributed to getting over my operation knowing so many people cared.

Also to my family for all their help and care, especially knowing my dog was well looked after, and to my neighbours for all their help and kindness.

Sincere thanks,

Betty Pragnell

The Thomas Dowse Trust

The Thomas Dowse Trust was created to provide people up to the age of 25 years with financial assistance towards educational requirements. The Trust meets four times a year (March, June, September and November) to award grants to those who show a need for financial assistance towards their education, whether it be for Pre-School, School, College or University.

The next Trust meeting will be held in November. All applications for the November meeting must be submitted to the Secretary, Mrs Christine Hoskins, The Old Thatch, High Street, Broughton, no later than the end of October. Any application received after this date will be carried forward to the next meeting in March 2012.

If you live in the Benefice of Bossington and Mottisfont and would like to apply for a grant, application forms can be obtained from the church, the village hall or the Secretary.

A different viewpoint?

I live in a semi-rural area. We recently discovered
that a new neighbour had written to the Highways
Agency to request the removal of the 'DEER
CROSSING' sign on our road.

The reason: "Too many deer are being hit by cars
on this stretch of road! I don't think this is a good
place for them to be crossing any more."

Recipe of the month: PUMPKIN & APPLE CURRY

Two great autumn ingredients are fused together to make this rich, fully flavoured golden curry.

This recipe makes four servings.

Shopping List:

Sunflower oil
1 onion, peeled & very finely diced
2 cloves of garlic, peeled & minced or very finely diced
2 cardamom pods, bruised
1 small cinnamon stick
2 whole cloves
600g of sweet potatoes, peeled & cubed
500ml of vegetable stock
2 tsp of madras curry powder (use a mild or hot one as you prefer)
½ tsp of ground ginger
¼ tsp of turmeric powder
600g of pumpkin, peeled & cubed
2 cooking apples, peeled & roughly diced (use eating apples if you prefer a sweeter taste)
200g of tomato puree
Small handful of fresh coriander, finely chopped, plus extra to garnish
200g of crème fraiche

How to make it:

Heat a little sunflower oil in a large pan or skillet. Add the onion and garlic and fry for about 2-3 minutes. Then add cardamom, cinnamon and cloves and fry for a couple of minutes more.

Next add the sweet potato, followed by the stock. Simmer gently, and when the sweet potatoes start to soften, add the curry powder, ginger and turmeric with the pumpkin and apple. Continue to simmer for a few minutes and add the tomato puree to the pan.

Be careful not to over-cook the pumpkin as it will disintegrate into the sauce.

As soon as the pumpkin is tender, remove from the heat. Stir in the fresh coriander and crème fraiche. Garnish the curry with fresh coriander and serve immediately with basmati rice and naan bread.

HAVING TROUBLE FINDING A GOOD CHIMNEY SWEEP?

I would recommend Les Bowering of Green Sweeps, a registered member of the Guild of Master Chimney Sweeps.

He is reasonably priced and whilst doing a dirty job kept my kitchen very clean - no need for dust sheets. I will definitely be using him again in 2012.

You can contact him on 02380 360 982 or 07889 095 358 and by e-mail at lesbowering@fsmail.net for a quote.
