ACORN SPONSORSHIP RENEWED

We are delighted that our sponsors, Mottisfont Social Club and Kimbridge Restaurant, have agreed to continue to cover the printing costs of the Acorn throughout 2013.

We should also mention Mike Stevens at BGA Hants Ltd in West Wellow who does an excellent (and very reasonable!) job with the printing.

Then there's Gordon who distributes copies to the many people who deliver throughout the village...

Thanks to you all!

OPERATION CHRISTMAS CHILD: THE POWER OF A SIMPLE GIFT

"Thank you for not forgetting us". This was the overriding message from the people of Bosnia to the people of the UK that my fellow travellers and I brought back from our recent Operation Christmas Child shoebox distribution trip to Bosnia.

Our team, including four from the Romsey area, travelled nearly 800 miles

around Bosnia in a minibus delivering gift filled shoeboxes (or packets as the Bosnian children called them) to communities living in remote mountain villages, to families living in awful conditions in Roma settlements, to children and teenagers living on the streets of major cities, and to children visiting day care centres to eat and wash.

During our short stay we were privileged to meet,

Red & White Coffee Morning

The Southampton Hospital Coffee Morning on 30th November raised nearly £1100!

A big thank you to everyone who supported this magnificent effort.

Thanks especially to Tony Stemp. No one can run a raffle like Tony. There was a prize for anyone who could get past Tony without buying a raffle ticket - no one won the prize!

Thanks also to Helen Conn, Helen and Nigel Charlton and everyone else who helped, brought cakes, donated prizes and contributed.

Thank you all.

I'd like to wish all of the readers of the *Acorn* a happy and healthy 2013. Having been recently appointed as General Manager at National Trust, Mottisfont, I thought it might be useful to introduce myself. Alison Evans and her team have done a wonderful job here creating and bringing to life the place and new events such as the art exhibitions (the current one, Contemporary craft, is quite something) and creating a property that has become many people's favourite within the National Trust. I'm very excited about all of the things that we have planned for 2013 including our new trails, art galleries, outdoor theatre and talks. My own background is in a General Manager type role in media and advertising at Reed Business Information (Farmers Weekly, Caterer & Hotelkeeper, Estates Gazette) and Ogilvy & Mather Worldwide. I'm really looking forward to working with National Trust and local people, communities, associations and other organisations that we have enjoyed relationships with for many years. Please do check out our full events programme (www.nationaltrust.org.uk/mottisfont/things-to-see-and-do/events) or just pop in to see what's going on at this wonderful National Trust Property – I assure you, there will always be something different.

General Manager*

Broughton Learning

Book now for one of our courses:

Plan a pond in half term. You may have heard of the "million ponds project" (see www.pondconservation.org.uk/millionponds) which aims to stop the decline in natural ponds and build more to catch up on what's been lost. Here's your chance to get inspired and learn how to do it yourself.

Hampshire Wildlife Trust will be offering a one-day course on the first Saturday of half-term, February 16th, from 10am - 4pm at Broughton Primary School, where a new pond was made last year. Indoors and out for the day, the course will cover an introduction to ponds and their benefit to wildlife, pond construction, potential problems and solutions, a look at one or two ponds in the village to try pond-dipping, the structure, plants and wildlife value. Lots of opportunities for questions and picking the brain of the experts. Whilst this is aimed at adults, older teenagers from 15+ are welcome as long as they are with a parent. £20 for the day. Bring warm outdoor clothes and a packed lunch - we'll make the coffee and tea.

Family First Aid. Would you know what to do? The Red Cross will be running a short course in Broughton Primary School hall, on two Saturday afternoons – 2nd and 9th March, from 2 - 5.30pm, for mums, dads, grandparents, and any other adult (18+) who might need to deal with an accident - it could be you! This is not an assessed course, but we understand that you can upgrade to a certificate afterwards in Winchester. The fee is £20.

Reserve a place on any of these courses by email to learners@broughton-hants.net or ring 01794 301725, and we'll send details of how to pay. The cost of all of them is subsidised by Hampshire County Council.

Thank you for the photos!

Thank you to Marina and Rick Parker for putting together a collage of photos from last year's Jubilee event, and for taking and paying for the photos and frame.

The photos are now on display in the main hall at the Village Hall, and will be there permanently as a reminder of the event.

Dear Friends,

This year Lent and Easter are a little earlier than recent years, and Ash Wednesday marks the beginning of Lent on 13th February. This year we are running a Lent Group for 4 weeks starting on Wednesday, 20th Feb looking at the BBC production of the Passion and the questions that the Passion raises for us today as we think about ourselves as followers of Christ.

Just to remind us, what is Lent? Lent is a forty-day season that initiates the most sacred part of the Christian year. Lent begins on Ash Wednesday and concludes on the Great Vigil of Easter. Sundays are not included in the forty-day count because every Sunday is a joyful celebration of our Lord's resurrection. During Lent, Christians meditate on the great paschal mystery - the salvation God won for us sinners by the suffering, death, and resurrection of Jesus Christ. The word Lent is derived from the old English lencten, which means lengthen. It refers to the lengthening of the daylight hours that occurs as spring approaches. It is in this period of transition from late winter to early spring that the season of Lent falls. Or we could say that life on this earth, by the breath of the Creator, is already renewing.

The duration of the season of Lent is based on the ancient church custom of lencten, and fasting

before being baptized on the evening before Easter. This probationary period was called the quarantine (from the Latin word for forty). The number forty occurs frequently in both testaments of the Bible. It signifies the time that is required for discipline, testing, and separation prior to achieving a goal or new beginning. For example, we read in the Old Testament that it rained forty days and nights during the Great Flood. Moses communed with God on Mount Sinai for forty days before receiving the Ten Commandments; the people of Israel were forced to wander in the wilderness for forty years; Elijah journeyed for forty days before he reached Mount Horeb and had a vision of God; and the inhabitants of Nineveh fasted and repented for forty days in response to the preaching of Jonah.

The outstanding instances of the number forty in the New Testament are the account of Christ's ordeal in the desert fasting, praying, and being tempted by the devil, and His various appearances to the apostles and others between His resurrection and ascension during which He strengthened their faith and prepared them for the coming of the Holy Spirit.

Details of where the Lent Course will be held and booking in can be obtained from the Revd. Gill Nobes on 341010.

With Blessings

Ron Corne

WOMEN'S WORLD DAY of PRAYER

at St. Mary's Church, Broughton.

On Friday, 1st March at 2.30pm there will be a Service at St. Mary's Church, Broughton to celebrate the Women's World Day of Prayer.

The speaker this year is Rev'd Hazel O'Sullivan and the Interdenominational Service has been prepared by the Women of France. The theme is 'I was a stranger and you welcomed me'.

The people of Broughton are inviting you, and welcome men and women of all ages, to share in this Worldwide Fellowship, prepared each year by different countries. Please put this date in your diaries.

There will be refreshments after the service.

Electoral Roll - St Andrew's Church

This roll will be revised in 2013 so I'd like to explain its purpose.

Anyone living within the ecclesiastical map's boundary for Mottisfont is entitled to be on this register and to vote for churchwardens, to attend meetings and have a say in what goes on at the village church.

The ecclesiastical map is not quite the same as the geographical map, though very similar. A copy can be seen on the church's interior notice board or I can provide the information.

People who live outside the parish but who attend the church regularly can also be on the roll. I'm one of those myself.

You have nothing to lose by signing up for this, so if you are 16 years of age or over, why not ask me for a form before the closing date, which is Friday, 15th February? If you want any more information, just give me a ring on 368346.

By the way, it is the area covered by this special map which applies to those asking for a grant under the Thomas Dowse Trust. Have you thought about using this lately? It's there to help any young person under the age of 25 with any educational need, be it trips, extra lessons, music, uniform and other things. It's worth considering. Ask me or Pat Francis about it.

Finally, why not take a wander down Church Lane to the cemetery during February or March. There's usually a carpet of snowdrops there.

learn about and work with missionaries and small protestant churches. We saw first-hand their tireless work running social projects to help communities and individuals still suffering from the aftermath of the Balkan wars, the effects of mass unemployment (in some areas as high as 60%) and the results of no government aided support.

Thank you again if you managed to send a box to children and communities such as these. We have seen that each box is appreciated by the child who receives it, their parents and the communities where they live. More than this, we have seen how much the fact that someone has thought about them and that they are not forgotten actually means to them. One little boy we met summed it up beautifully: "We are very smiley when you come and very sad when you leave".

KIMBRIDGE RESTAURANT

Filo-wrapped Pears with Orange Sauce

This recipe serves 4 persons

Ingredients:

4 medium pears
Marzipan
Filo pastry, 8 sheets
A little butter, melted
40g cornflour
50g orange liqueur - optional
Stock syrup
500g caster sugar
500g water
1 cinnamon stick
1 vanilla pod
Orange sauce
¼ litre of orange juice
¼ litre of stock syrup (liquid the pears are poached in)
1 orange

*Kate Buchan,
Sous Chef
at Kimbridge
Restaurant*

How to make it:

Preheat the oven to 180°C (160°C fan) /350 °F/ Gas Mark 4. Carefully peel the pears, leaving the stalk on. Using a small knife, carefully remove the core of the pear, leaving behind an upside-down cone shape in the bottom.

To make the stock syrup, use a large saucepan to boil the water, sugar, vanilla pod and cinnamon together. Once the sugar has dissolved and the liquid is clear, reduce the heat. Now carefully place the pears into the saucepan and simmer for about 10-12 minutes. Again exercising care, remove the pears from the saucepan and place on a cooling rack over a plate in order to cool and drain.

Once the pears are cool, take a small amount of the marzipan and stuff it into the bottom of each pear to fill the gap. Cut the 8 sheets of filo into 16 squares measuring 13cm/5 inches across. Brush one square with melted butter and place the pear in the middle of the square, then wrap each corner of the filo around the pear until the pastry is wrapped tightly around the pear. Repeat this until you have wrapped 4 squares of pastry around each pear, then place on a paper-lined baking sheet. Place in the oven and bake for 10 minutes until golden brown.

To make the orange sauce, boil the orange juice and the stock syrup together and add the liqueur if using. Mix the cornflour with a little water to make a paste, then pour into the sauce and re-boil. Take the whole orange and using a peeler, peel the off the skin. Then finely slice the skin into strips and add to the sauce. Place each pear onto a plate, drizzle some of the warm sauce around, and enjoy!
