## Parish Council News

### Village Bus

The village bus will be pulling into Mill Rise for a six month trial period to pick up residents, after which the village bus committee will consider if this is to be a permanent arrangement. We hope this will be much safer and convenient for residents. On the subject of waiting for the bus, County Councillor Andrew Gibson has awarded the parish a grant to pay for a new seat at Mill Rise. The grant will also cover the installation costs.

### Faster Broadband

Hampshire County Council is continuing to work towards providing 90% of the rural areas with faster broadband, and the contract is going to tender this month. Hampshire County Council wishes to support home working and benefit the carbon footprint with this initiative. Once the contractor has been appointed, we should be able to confirm if Mottisfont and Dunbridge will benefit from the project.

### Community Speed Watch

At our December meeting PCSO Jo Cole discussed a Community Speed Watch scheme where local volunteers are provided with various pieces of equipment which will detect the speed of traffic. Details of drivers exceeding the speed limit will then be passed to the Police and warning letters will be sent out. The council discussed the scheme further at this meeting and do have concerns for getting and sustaining volunteers. The equipment is also

expensive; however the costs could be shared with neighbouring parishes. Please contact the council if you think this is something the parish council should consider further.

### Precept

The council have agreed not to increase the precept for 2013/14, and a transitional grant will be paid to the council to offset the cost of the introduction of the national Council Tax Support System.

### Noticeboard

We plan to move the noticeboard outside the village hall onto the wall of the village hall by the door.

### Annual Parish Meeting

Please make a note of the date of our Annual Parish Meeting on the 10th April. Find out what the council have achieved in the last 12 months and chat to the Borough and County Councillors.

### Dates of future meetings

27th February and 10th April. Everyone is welcome.

Sue Holder, Clerk, 340130

## Bogus Trader Warning

Bogus Traders are currently telephoning residents in the New Forest area of Hampshire claiming to be from Trading Standards and are offering to inspect loft spaces to see if the householder will qualify for free loft insulation.

Trading Standards does not offer this service, so residents should be cautious and report any such incidents to Hampshire County Council's Quick Response Team on 01962 833666.

Trading Standards advises consumers not to agree to any work that is instigated as a result of a cold call or via a leaflet drop. Consumers should obtain at least 3 written quotations from reputable businesses or traders who are either members of the Hampshire County Council Trading Standards Buy With Confidence Scheme or a recognised trade association.

Members of the Buy With Confidence scheme are fully audited to ensure their trading practices are legal, honest and fair. All members have been checked for trustworthiness and compliance with consumer protection laws.

Details can be obtained by emailing [buy.with.confidence@hants.gov.uk](mailto:buy.with.confidence@hants.gov.uk), telephoning 01962 833620, or via the website [www.buywithconfidence.gov.uk](http://www.buywithconfidence.gov.uk).

These include an introduction to coarse fishing on 2nd March. Visit our fishing beats as well as learn the skills and techniques behind coarse fishing.

We also have a 3-hour big tree climbing experience on 17th March, where you'll climb some of our lovely plane trees, learn about the creatures that live inside them and zip-wire down to the ground!

Then we'll have our usual Easter trail at the end of the month, culminating in the Big Egg and Spoon Race assault course on Monday, 1st April!

For more information or to book into one of our events, call 344020.

## MOTTISFONT & DUNBRIDGE W.I.

In March a team will be competing in the Semi Finals of skittles for the Hampshire Federation to be held at Wellow Golf course.

Future events include a planned visit in June to Osborne House on the Isle of Wight, and a lunch and visit to Haskins and Hobbycraft at West End. Dates to be decided.

### Jumble Sale, 16th February

Members of the W.I. and friends worked hard making the Jumble Sale a huge success. £600 was raised, from which generous donations will go to local charities.

Thanks to everyone who supported us, to all helpers, to everyone who donated jumble, prizes for the tombola, etc. Thank you Tony, Michael and Gordon for marshalling the car parking.

Big thanks also to the Village Hall Committee for their support and allowing the wooden hut to be used for storage before the event.

## The Broughton and Mottisfont Community Bus Committee

Charity Number: 284910

The Broughton and Mottisfont Village Bus Committee has reluctantly had to increase fares from 1st April, 2013, to take account of increasing running costs – particularly higher diesel prices.

The new fares will be as shown below. Remember: your FarePass is valid on these scheduled journeys.

Note that children under 5 are carried free of charge, and there is no service on public holidays.

For Group Hire the charge has remained at £1.60 per mile.

The Committee wishes to point out what a favourable rate this is for local community groups. Fill the seats and it works out at a very reasonable price.

Dear Friends,

Spring is on the way! Although there's a bitterly cold wind blowing and the odd snow flurry is still about, there are also signs of new life all around us as snowdrops appear, bulbs are peeking through the soggy earth and trees are beginning to bud.

I love this time of year. The annual cycle of winter sleep and rest is gradually giving way to spring. As the days begin to lengthen, blossoms appear, daffodils and tulips will make their colourful displays and the hedges will come back to life. Fair weather friends like swifts and swallows will be returning from their winter migrations, and new born lambs will be taking their first steps. It's the time of new life, of new beginnings and of new hope.

Christianity is a faith of new life, of new beginnings and of new hope. Later this month, Christians will be celebrating our most important festival, Easter – the day on which the world changed, when winter gave way to spring, when God gave us a new beginning.

Over 2000 years ago, at the time of the Festival of the Passover, Jesus shared his last supper with his friends and then experienced the darkness of betrayal and denial. He was arrested, tortured and suffered death on the cross. His body was taken down from the cross and placed in a tomb. It was a time of despair and of wintry darkness.

But this wasn't the end of the story because three days later, the darkness of Good Friday gave way to glorious new life. On Easter Day, when Jesus Christ rose from the grave he conquered sin and death and nothing would be the same again. Although humanity had rejected God's Son, God gave humanity a new start.

Why not join us at one of our Easter services as we celebrate that Jesus is risen and offer thanks for the new life and new hope that the resurrection gives to each of us.

Happy Easter!

## KIMBRIDGE RESTAURANT

### Herb crumbed salmon with a roasted tomato and pepper sauce

This recipe serves four.

#### Ingredients

4 salmon portions, 6-7oz each  
150g cream cheese  
250g wholegrain breadcrumbs  
2 tablespoons of chives, roughly chopped  
2 tablespoons of parsley, roughly chopped  
2 tablespoons of coriander, roughly chopped  
1 clove of finely crushed garlic  
grated rind of half a lemon  
60g lemon juice

For the sauce:

3 peppers  
1 small onion  
2 tablespoons of oil  
2 cloves of crushed garlic  
1 can of chopped tomatoes

#### How to make it

Season the salmon fillets lightly on both sides with salt and pepper. Place them skin side down on an oven tray lined with baking paper.

Process all the other ingredients in a food processor until combined and chopped.

Spread each salmon portion with a layer of the cream cheese and put the breadcrumb mixture on top of the salmon fillets, pressing down on top, and cook for 10 to 15 minutes at 180°C (160°C fan) /350°F/Gas Mark 4 until just cooked.

While the salmon is cooking, make the sauce: roast the peppers over a gas flame or under a grill until they are black. Place the peppers in a paper bag to sweat, and once cool peel off the charred skins and remove the seeds. Then roughly chop the peppers and leave to one side.

In a large saucepan heat the oil, add the onion and garlic, and cook for 2-3 minutes or until soft. Add the peppers and the tomatoes, and cook for 10 minutes over a low heat. Puree the sauce using a food processor or stick blender until smooth. Strain through a sieve to remove any seeds and return to a clean pan. Gently heat and season if needed.

Once the sauce is hot, pour some sauce onto each plate and place the cooked salmon on top of the sauce. Serve with a wedge of lemon.
