## MIND THE GAP!

Freight traffic on our railways is increasing, and to keep up with this trend, our railway infrastructure is undergoing a number of modifications to allow the use of wider containers.

Network Rail is shortly to begin work at Dunbridge station to reduce the width of the platforms in both directions, each by 75cm (about 30 inches), so the new Euro-style containers can pass through the station.

Network Rail's press release said nothing about difficulties this might cause for passengers using the existing trains, and who will have to negotiate a rather substantial gap.

The *Acorn* contacted their press office for comment: "We have thought of that," said a spokesperson, "and carried out a feasibility study. Passengers disembarking will be asked to take a short run up to the doorway of the train, and our study shows that 97.3% of them should make it safely to the platform. Furthermore, to avoid injury to over-enthusiastic passengers who subsequently crash into the wall on the far side, we will be installing padding along the wall for the full length of the platform."

So that's alright, then.

## Footway works to commence

Work is due to start this month on building the roadside footway between Mottisfont & Dunbridge Station and the layby at Barley Hill opposite Mill Rise. The expected start date is 7th April.

The footway should improve safety for pedestrians using Barley Hill to reach the station and beyond.

Mottisfont Parish Council has campaigned for some time for a roadside footway in this area. It is also putting pressure on Hampshire County Council to complete the missing link in the existing Hatt Hill footway along the B3084 at Mottisfont between the River Dun and Hatt Lane, and also the stretch between Hatt Farm and Benger's Lane at Mottisfont.

However, completing this footway is going to cost an estimated £100,000, and Hampshire highway officials say it will require extensive engineering work to implement. But it is an important route linking Mottisfont & Dunbridge Station with the Mottisfont Estate and Abbey.

It is vital that this footway is built not only to make it safer for tourists visiting Mottisfont but also for residents who regularly walk along the B3084 to reach the station and other amenities such as cross-field footpaths, the Mill Arms, the village hall, social club and the church.

The deadline for inclusion of items in the May edition of the Acorn is 16th April.  
Please email items to [acornnews@mandercom.co.uk](mailto:acornnews@mandercom.co.uk).

As part of the National Trust's Mottisfont portfolio of properties, our countryside team also manages the northern commons of the New Forest. This includes Bramshaw, Ibsley, Rockford and Hightown Commons, Hale Purlieu and Foxbury. The total area covered by these sites is about 4,000 acres. Our Ranger team, led by Dylan Everett (Countryside Manager), do a superb job, working with volunteers to conserve, protect and enhance these areas for everyone to enjoy.

Foxbury (the other side of Wellow) is a particularly important project. The National Trust bought the site with grant funding in 2005, and since then has been regenerating this area of woodland, overgrown with scrub and rhododendron. Our work here includes the planting of 22,000 new trees, restoring and regenerating ponds, and heathland restoration. Although inside the New Forest National Park, the site is not currently designated SSSI (Site of Special Scientific Interest), and our aim is to achieve that status, in effecting increasing the SSSI land within the national park for the first time since the 1960s. Heathland is rarer than rain forest and as diversity is so important when it comes to protecting our habitat and environment, the value of this work is massive.

This is all great news for insects, butterflies, birds and reptiles. It's also quite good news for the herd of rare breed cattle that we have introduced for grazing (Belted Galloway and Luings), which people have enjoyed seeing too!

Foxbury has its own events scheduled this year, with walks, talks, cycle events and trails for everyone. If you are interested in joining our Outdoor Ranger team, then just check the website: [www.nationaltrust.org.uk/new-forest-northern-commons/things-to-see-and-do/events](http://www.nationaltrust.org.uk/new-forest-northern-commons/things-to-see-and-do/events).

### **In the gardens...**

The gardens are looking really lovely at the moment. The spring bulbs are out in abundance with beautiful chionodoxa sweeping across the lime walk and a sea of stunning yellow daffodils in every direction. There are new plants popping up every day – come and see them.

### **In the gallery...**

It's the last chance to see our exhibition, *Lichfield: A Life through the Lens*, which is with us until 21 April. To make the most of this, why not join us on a special free curator talk? It takes place on 12 April at 1pm. There's no need to book - just meet in the art gallery.

Our next exhibition is called *Gardens of Delight*, which opens on Saturday, 3 May.

### **Easter eggstravaganza...**

Join us throughout the Easter holidays for lots of fun as we have a special spring trail starting from 5 April.

Then we welcome Cadbury back for the long Easter Weekend where we have a brand new trail with lots of activities with a chance to win a Cadbury's chocolate egghead!

## TEST VALLEY LECTURE: WAR HORSES AND THE REMOUNT SERVICE

Wednesday, 16th April

During the First World War over a million horses were obtained from Britain and North America by the Army Remount Service for military use. The impressive Remount Camp at Romsey could train 5,000 horses for war at any one time. It had a military compliment of 2,100 men, one of whom was Lionel Edwards, the distinguished artist who spent his later years at Buckholt.

The camp had a veterinary hospital and employed many civilians too. Trained horses were shipped to France via the camp at Swaythling. Given that the population of Romsey was only 7,000, this settlement on Pauncefoot Hill, a mile from the town centre, must have been startling.

Phoebe Merrick is chairman of Romsey Local History Society. She has worked and published on Romsey history for 40 years, and has spent the last 4 studying the Remount Camp in depth.

Join us at the village Hall, Broughton, at 8:00pm (doors 7:30pm). Price £3 (free to students), includes snacks and wine.

Scougall said "We wanted to open our doors to showcase not only the diverse businesses located at Tiebridge, but also to help promote other local businesses, all against the backdrop of the beautiful River Test. In addition, we hope to be able to raise some much needed funds for the Hampshire & Isle of Wight Air Ambulance. "

## MOTTISFONT & DUNBRIDGE W.I.

At the March meeting we were entertained by Mike Brook, who gave an insight to life in an amateur dramatic society. During his talk he gave three monologues which were fun and very entertaining.

A Birthday Dinner was held on Friday, 21st March at the Old House at Home in Romsey.

We are also planning a lunch at the Greyhound pub in Broughton on Monday, 28th April.

The next meeting will be on Tuesday, 8th April at 7.30pm in Mottisfont & Dunbridge Village Hall, when there will be a talk from the RNLi about Charity Support. Guests will be very welcome on this evening.

## Rector's Letter

Dear Friends,

As we step into April with its lengthening days and its promise of light and new life, we also enter the great celebration of Easter with its own promises of Christ's eternal light and resurrection. What a glorious combination and how exceptional is this month!

However the world as we know is a mixture of glorious wonder and terrible darkness and chaos. This challenges us to ponder, reflect and yearn for something better, something with more substance and which does not end in death. This yearning is brought about not by our natural self but by our eternal souls, which have both a need for God and a need for transformation and resurrection.

This is not part of the natural desires of living of which there are many: the desire to get rich, to be successful, to enjoy good health.

Something more profound within our souls looks beyond the obvious to the horizon of life and exclaims surely there is something more than this, something that speaks of the eternal city of God and of new life! The reality is that only by a gift of God who will clothe "this corruptible body with incorruptibility and this mortal body with immortality," in virtue of the victory of Christ over death (see I Cor. 15:53-57) can bring this about. Easter is about celebrating this transformation and the answers to these longings.

Please join us for Easter celebration services happening throughout the Benefice to commemorate the resurrection of Jesus, and hence our own delivery to life eternal through faith in him, who is the way the truth and the life.

Please note there will not be an early outside morning communion this year. All Easter Services will be in the churches.

Ron Corne  
Rector

## Easter Egg Hunt Palm Sunday, 13th April

All young children (under 12) from the benefice are invited again this year to take part in the Easter Egg Hunt at Houghton Lodge, from 4pm onwards.

This will be followed as usual by a delicious tea. Offers of help and contributions of food would be very welcome.

For more details, please ring Gina on 388433.

## Glass event

All those who came to the glass evening recently were treated to an educational, amusing and dare I say enlightening talk by Maurice Bennett, and there were certainly some fascinating exhibits for all to share. I hope others found it as enjoyable as I did.

The proverb says 'Many hands make light work'. It was certainly true for me, so a big THANK YOU to all concerned in whatever way you helped.

People were also very generous financially, and a profit of £205. was realised.

Just as valuable though was the amiable feeling amongst all who came. A good time was had by all, I think.

## WOMEN'S WORLD DAY of PRAYER

On Friday, 7th March at St. Mary's Church in Broughton we were so privileged to join with people across the world in the WOMEN'S WORLD DAY of PRAYER, which is an international inter-denominational service prepared this year by the Christian women of Egypt.

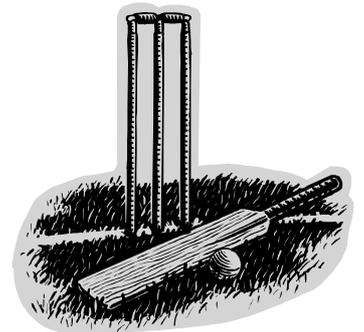

The theme was *Streams in the Desert*, and was a reflection on spiritual drought and peace for all nations. People from Broughton and surrounding villages supported each other in the wave of prayer, which rose with the sun over the island of Samoa, and then travelled across Asia, Africa, the Middle East, Europe, Broughton, and the Americas, until it finally arrived back in Samoa. There were 170 countries taking part this year, and we thought it was a very moving and wonderful Service. Over £100 was raised at Broughton for the WW Day of Prayer charities. Our speaker this year was Mrs. Gina Livermore.

## Cricket Club

The cricket season starts at the end of the month and the club is always on the look out for players, sponsors, helpers or supporters.

We are particularly keen to welcome new players to the two Tuesday teams, as the evening league is much more relaxed and the teams include youngsters, part timers and non-cricketers.

If you fancy a game then get in touch with [StephenPGodwin@hotmail.com](mailto:StephenPGodwin@hotmail.com) (07801 522979) or see Tony Stemp (340398) in the village. Alternatively, Bengers Lane is a great venue to watch cricket (most Tuesdays and Saturdays).

2013 was a great season for the Club with the Saturday Team winning the Regional Div 1 League, losing only one match all season. The first game of the season sees the A team take on the B team on Tuesday 29th April!

# KIMBRIDGE RESTAURANT

## Indian spiced lamb

This recipe serves 6 persons.

### Ingredients:

1.5kg diced lamb  
1 tablespoon lemon juice  
Salt and pepper  
100g cashew nuts  
4 garlic cloves, roughly chopped  
7cm piece of root ginger, grated  
2 tablespoons clear honey  
1 teaspoon cumin  
1 teaspoon turmeric  
¼ teaspoon of cayenne pepper  
½ teaspoon ground cinnamon  
250g Greek yogurt  
Chopped coriander to garnish

*Kate Buchan,  
Sous Chef  
at Kimbridge  
Restaurant*

### How to make it:

Place the yogurt, cinnamon, cayenne pepper, turmeric, honey, lemon juice, ginger, cumin and garlic into a food processor and mix together.

Once blended together, pour the mix over the diced lamb and stir. Then cover the lamb and leave to marinate overnight in the fridge.

After the meat has marinated overnight, place the mix into a saucepan and bring up to the boil stirring occasionally. Then reduce the heat to simmer and leave to cook until the meat is soft and tender, stirring frequently throughout cooking.

Once the meat is soft and tender, the yogurt and spice mix will have reduced and thickened to make the sauce. Now add the cashew nuts and season to taste with the salt and pepper.

Serve with rice and a sprinkling of chopped coriander.

Q: What is short, green and goes camping?

A: A new boy scout.

Did you hear about the novice actor who thought Hamlet was an omelette served with bacon?

Did you hear about the man who entered a pun contest in a newspaper? He sent in ten different puns, in the hope that at least one of the puns would win the prize. Unfortunately, no pun in ten did.

I have kleptomania. But when it gets bad, I take something for it.
