## Mottisfont & Dunbridge Village Hall Annual General Meeting Thursday, 19th March, 7.30pm

The Village Hall AGM is your opportunity to hear about how the Hall is run, and more importantly, to bring your ideas about how to improve this excellent facility we are so lucky to have.

The committee would welcome new faces. We have monthly meetings during the year and would love to have new blood to help run the hall.

Wine and nibbles will follow the AGM, so do come and join us!

## VILLAGE HALL WORKING PARTY

Various small maintenance tasks need to be carried out on the Village Hall, so on Saturday, 11th April and Sunday, 12th April from 10am we will be holding working sessions. If you can volunteer a little of your time and energy, it will be much appreciated! Refreshments will be provided.

The main tasks are:

Repainting the lower part of the inside of our Village Hall. This is mostly emulsion painting, with some gloss on doors. If you are able to bring brushes, dust sheets, etc., this would be great.

Re-sewing one edge of a curtain, and sew a new liner to one curtain.

Some woodworking is needed on one of the outside doors, which is sticking badly.

Can you help? If so, please contact Michael Horne on 340105 or [hornes@btinternet.com](mailto:hornes@btinternet.com).

## Parish Council

The date of our next meeting is 18th March, and the Annual Parish Meeting is scheduled for the 22nd April, 7.30pm in the Village Hall. The meetings are open to all, so we look forward to you joining us.

The deadline for inclusion of items in the April edition of the Acorn is 16th March. Please email items to [acornnews@mandercom.co.uk](mailto:acornnews@mandercom.co.uk).

“Big Bertha” was the name one of our property team called the rather large construction vehicle at the front of the property yesterday. I’m just pleased to see it on site for the piling work for our new visitor facility. Work is well and truly under way now, and the new building can’t be finished soon enough in my opinion. We’ll have to wait until September/October to see the end result, but it’s all very exciting nevertheless.

We have also been making the most of the relatively dry weather to start work on our car park too. Hopefully this work will weather-proof it a little better.

Our current “Light Works” exhibition includes some incredible pieces and the walks and talks we now host all year round always give our visitor supporters something to look forward to as our estate changes through the seasons, and plenty of good reasons to come back (see events article).

Our Mottisfont Estate Ranger – Ryan Scott – has sent the following update:

*“We are heading swiftly towards the end of the felling season and are busy finishing winter forestry and scrub clearance work. This year’s compartments of hazel coppice have now been finished, and we will be erecting the deer fencing to protect them shortly. To make the coppice more productive we will be layering some hazel stems to make new coppice stools. We do this by selecting a hazel stem, roughly 2-4 cm diameter at its base, and cutting almost all of the way through it, just leaving enough of the vascular system connected to keep the shoot alive. The shoot is then laid, pegged flat to the ground and lightly covered with soil to encourage rooting. This can be repeated along the length of the stem to establish multiple new stools. In order for coppice to be at its most productive, many stools are needed at close proximity as this helps to drive the young hazel shoots straight up towards the sunlight, which in turn produces long straight stems ideal for weaving and other estate produce.*

*Contractors are about to start work in Spearywell Wood clearing an area of windblown Douglas Fir. Signs will be going up in the car park and along some tracks warning about heavy machinery and ongoing felling works.*

*If you have been out and about across the estate recently you may have seen that the snowdrops have burst into life and the hazel trees are adorned with catkins. In the coming weeks other signs of the arrival of spring will include bluebell shoots and lesser celandine. As the temperature increases and the sap in trees begins to rise, the blackthorn bushes*

*will be the first to display their flowers. It is also at this time of year that tawny owls have begun to nest and mistle thrushes can be heard across the estate. If you keep your eyes open, and are extremely lucky, on sunny days in March you might see goshawks displaying over our conifer plantations. Definitely one to watch out for!”*

#### **In the garden...**

If you’ve not had chance to visit the winter garden, come along now! The garden is at its best, with vibrant stems contrasted against the stark white of snowdrops, it looks simply divine!

The walled garden is a hive of activity at the moment with pruning the roses and digging over the herbaceous borders in time for the main season display. The shop has just had its first delivery of plants – come and take a look, you might even find a bargain or two!

#### **In the gallery...**

Light-works: Contemporary Photography  
17th January to 19th April

This show brings together leading artists whose work particularly focuses on the effects of light. Reflected light is central to many of the artists on show, such as Christiane Zschommler, whose rippling patterns of light and shade on water showcase the beauty of natural light. Pekka Nittyvirta uses digital technology to create dramatic, fictitious landscapes that glow with an eery light. Susan Derges and Chris Bucklow don’t use a camera at all, preferring pin-holes and direct exposure onto paper as ways to capture luminous images. Banish the darkness of winter by stepping into the light.

#### **Art in Focus: People, 17th January to 19th April**

The first in a new series of mini- exhibitions focusing on Mottisfont’s own art collection, this display explores the ways in which people have been represented in 20th century art. From Seurat to Sickert, Barbara Hepworth to John Bratby, discover the different people pictured in the art collection at Mottisfont.

## MOTTISFONT & DUNBRIDGE W.I.

At the February meeting we were pleased to welcome Sharon Blake and Ben Dunnet from Waitrose to talk to the 19 members and guests about the History of Scottish Salmon.

Sharon told us of the history and production of the Scottish salmon including the time scales both in rearing the fish and the delivery schedule from fishery to store. She also informed us of the training involved for members of the fish counter staff in the stores. Ben demonstrated how a large salmon would be prepared for the display on the counter in store. We were then treated to tasters of fresh salmon also of smoked salmon. This was a very pleasant evening enjoyed by all present.

A jumble sale is to be held on Saturday 14th March at Mottisfont & Dunbridge Village hall at 2pm. Any donations will be gratefully received, and collections can be arranged by ringing Cathie Wood on 340129 or Francis Jenkins on 301614.

The meeting on 10th March is to be an anniversary meal held at the Old House at Home public house in Romsey.

A visit to the Hampshire Records Office in Winchester has been arranged for Tuesday, 24th March starting at 7pm. There are still a few places left for this visit, so if you are interested in joining us please telephone Valda White on 368346.

Mary Batten

### Thank you!

I have been overwhelmed by so many lovely cards, flowers, and good wishes after my operation, and I am so grateful to you all. They have been so uplifting and encouraging, so please accept my heartfelt thanks.

## TEST VALLEY LECTURES: 'Hill Figures - A Brief History' by Dr. Mark Hows, Wednesday 18th March

A very special lecture this month by the country's leading specialist on chalk hill figures, who is coming from Cambridge to tell us their fascinating story. In the UK (and this is a particularly British phenomenon) we have some 57 figures cut into our chalk downland, the most famous being the White Horse of Uffington, but Wiltshire has the greatest density, with 8 visible white horses (2 have been

lost), the military badges of Fovant and others.

Mark has been discovering, recording and publishing on all the nation's hill figures for 25 years. He will talk about their form, history, function and their future. He has restored countless figures, created new ones and located lost ones - and so has an intimate and unique knowledge of these culturally important icons.

Join us at Broughton Village Hall at 8pm (doors 7:30pm) price £3 includes wine & snacks, free to students ([nick.lodge@iee.org](mailto:nick.lodge@iee.org)).

Dear Friends,

March is upon us. Where are the months going? After a long and cold winter, the days are gradually lengthening and I am beginning to look forward to the spring. The dormant trees and shrubs are slowly coming back to life and early bulbs are nervously pushing their way up as the next cycle of their growth begins.

It seems only days ago that we were taking down the Christmas tree, and now in the Church we have entered the season of Lent. One of the lovely things about being part of a church community is that it reminds us of the seasonality of the year and the cycle of life.

We observe Lent, and rightly so, not just as a time of fasting by giving something up, but also as a period of refreshment and renewal. For me, it's a period to take time out to reflect on where I am in my walk with Jesus and the transitions and changes that lay ahead.

In the early church, monks journeyed out into the deserts or found other isolated places to

contemplate and spend time with God. Their purpose was to find God, to listen to him, to strengthen their faith and be renewed and nourished for their daily lives. For some, this was a period of decision, transition and change; the beginning of a move in a different and exciting direction.

At the start of his ministry, Jesus spent 40 days in the wilderness. During this time he faced many temptations, but he chose to stay faithful to God. At the end of this transitional time in the wilderness, Jesus was strengthened for the tasks that lay ahead.

Why not using the coming few weeks of Lent, quietly reflecting on where you are and on the journey that might lie ahead?

Blessings,

Gill

3 million people will be together in prayer on Friday, 6th March, 2015.

Please join together in St. Mary's Church, Broughton, at 2.30pm as we share prayer with others across the world for the Women's World Day of Prayer this year.

This is an interdenominational service which has been prepared by the Women of The Bahamas. The service is for the people of Broughton, surrounding villages, and men and women of all ages. We will share in this Worldwide Fellowship, prepared each year by different countries.

We support each other in a wave of prayer, which rises with the sun over the island of Samoa, and then travels across Asia, Africa, the Middle East, Europe, Broughton, and the Americas, until it arrives back in Samoa and finishes with the setting sun there.

Over 170 countries take part each year, and it is a small way in which we all can be connected with the wider Christian community, as we all strive together for world peace. Refreshments for all after the service. If you would like to take part, or for more information please contact Ann on 01980 862232.

## Mottisfont Cricket Club

With winter almost over, the time has come to think about the sound of leather on willow up at Bengers Lane. You've guessed it: the cricket season is a couple of months away and Mottisfont CC is on the look out for players, helpers and supporters.

The Club has enjoyed a bit of a renaissance in recent years with silverware, promotions and record breaking winning streaks, but could always do with more support. With matches on Tuesdays and Saturdays, players of any standard are always welcomed in to the fold (as are supporters, who are always given a warm welcome and a mug of tea!), so if you're interested please get in touch with skipper Ian Jerram on 07986 055233, secretary [StephenPGodwin@hotmail.com](mailto:StephenPGodwin@hotmail.com) or talk to Tony Stemp in the village.

## Annual Spring Quiz & Raffle

Mottisfont CC will be holding its Annual Spring Quiz & Raffle on Saturday, 21st March, at Mottisfont Social Club as they look to raise funds to keep the club going throughout the summer.

Everyone will be welcome to this friendly, and only slightly competitive evening, hosted by Pete Holmes and Steve Godwin. So why not pop along and support the club (at the same time as arguing over the seven wonders of the ancient world!)?

## COULD YOU BECOME A STEWARD AT ROMSEY ABBEY?

Romsey Abbey stewards come from all walks of life. They are not guides, but are there to welcome all visitors to the Abbey. Stewards also answer questions where they can, and point visitors in the direction of further information. They are there every day, and play a vital role in creating an open and welcoming atmosphere for all those visiting the Abbey.

We need over forty stewards every week. Most attend for two hours every week or fortnight, others are prepared to step in for absences. There are currently gaps in the rota, and always a need for more stewards to fill those gaps and stand in for absences. Full training and support is given; stewards normally work as a team of two, and it can be a thoroughly enjoyable, stimulating experience.

Most stewarding vacancies occur at weekends, Saturday afternoons between 12.30pm and 4.30pm particularly, and Sunday between 1pm and 5pm. During the week, Wednesday 11am – 1pm and Friday 10.30am to 2.30pm are presently vacant.

## Recipe of the month:

### Beef pot and banana curry with cashew rice

This recipe serves four people.

#### Ingredients

800g stewing beef cut into chunks  
2 white onions chopped  
2 lemongrass stalks, bashed  
2 tablespoons grated ginger  
3 garlic cloves, crushed  
1 teaspoon ground turmeric  
2 tablespoons medium curry powder  
2 teaspoons brown sugar  
400ml can coconut milk  
500g halved new potatoes  
2 tablespoons garam masala  
3 small bananas  
Small packet of coriander  
140g chopped cashew nuts  
300g basmati rice

Kate Buchan,  
Head chef at  
Kimbridge Restaurant

#### How to make it

Heat the oven to 180°C. Heat two tablespoons of sunflower oil in a large frying pan. Brown the beef and transfer to an oven proof dish. Add the chopped onions to the pan and fry gently until softened. Then stir in the lemongrass, ginger, turmeric, curry powder and sugar. Fry for a few minutes and place in with the beef.

Add the coconut milk and one can of water to the beef. Cover and place in the oven for one hour. Meanwhile toast the chopped cashew nuts in a dry frying pan until golden.

After one hour remove the beef from the oven and stir in the potatoes. Place back in the oven and cook for a further hour or longer if the potatoes are not cooked. Remove the lid halfway through cooking.

Once the potatoes are cooked, remove the dish from the oven and place back onto the hob. Stir in the bananas cut into 2cm chunks, and also stir in the garam masala. Simmer for 10 minutes until the sauce thickens.

Cook the rice, and before serving mix in the cashew nuts. Serve with a scattering of chopped coriander.

*(Continued from page 6)*

Stewards welcomed over 41,500 day time visitors to the Abbey during 2014 (7,500 more than in 2013) including over 5,000 during the 2 weeks of Romsey Festival. If you would like to talk over the possibility of joining them, please contact me by phone or email.
